

HOW TO GET TO SEK IN KISTA

Information about how to reach SEK is also given at the SEK web-site www.sekom.se

Kista is situated 12 km north of Stockholm. The Stockholm Arlanda Airport is situated 40 km north of Stockholm.

Transport to Kista and City Terminal

"FLYGBUSSARNA" Airport buses, as well as the bus stops, are marked with a rainbow stripe of blue, green, yellow, orange and red colours.

a) Airport bus service to Kista (the SEK office - meeting place)

The "Flygbussarna" Airport buses to Kista leave from **bus-stop No. 12** at the Arlanda airport. Buses on the line are marked "Brommaplan". Fares and timetables please visit www.flygbussarna.se.

In Kista the bus stops at **Kista Centre**, below the underground station. From the bus stop it is about 7-8 minutes' walk to the meeting place or the Memory Hotel. To reach the **Memory Hotel** you take the stairs and turn right on the pathway bridge which leads you in, through and out of the indoor shopping galleria (for more information and map visit: www.memoryhotel.se). The easiest way to reach the meeting place is to take the escalator up to "Kista Galleria/Kista Arbetsområde", turn left and walk through the food court area, turn right at the Modeboulevarden and then left. Continue straight ahead and when reaching the entrance go ahead for about 150 m to reach the meeting place at Kistagången 19.

b) Airport bus service to the City Terminal (downtown hotels)

The airport buses to Stockholm leave from **bus-stop No. 11**. They are marked "Stockholm City" or "Cityterminalen" and run from the Arlanda airport to the City Terminal in the centre of Stockholm. Fares and timetables please visit www.flygbussarna.se.

c) Airport train shuttle to the City Terminal (downtown hotels)

An express train takes you directly from Arlanda airport's terminals to the Central Railway Station/City Terminal in the centre of Stockholm. For further information please visit www.arlandaexpress.com.

d) Taxi service

The most comfortable way to go from Arlanda airport to Kista or Stockholm is by taxi. Always make sure to choose a taxi having a **fixed price** and permittance to pick-up passengers at the terminal, for instance: "Taxi-Kurir tel 300000"; "Taxi 020 (tel 020-202020)"; "Stockholm Taxi tel 150000". Don't hesitate to ask the traffic coordinator at the airport to help you order the taxi. The fixed price should not exceed SEK 450.- to Stockholm (cheaper to Kista) (2005).

From downtown Stockholm to Kista (meeting place)

Kista can easily be reached by underground. All underground station entrances are marked with a sign consisting of a blue "T" on a white background. The same sign is used on city maps.

Line No. 11 runs between Stockholm and Kista (direction Akalla); during rush hours every 7 or 8 minutes. Kista is the first open air station.

At Kista, follow the signs "Kistagången/Kista Arbetsområde", "Kista Science Park", which means a walk along an indoor shopping street and then straight ahead for about 150 m to Kistagången 19 where the office of the Svenska Elektriska Kommissionen is located on the 7th floor.

When travelling by bus or underground in the Stockholm transport area it is recommended to purchase tickets in advance. For further information about tickets and fares please visit www.sl.se
